

Pupil Premium Literacy & Numeracy 'Catch Up' funding 2016 -17.

The 'Catch Up' funding for students not attaining Level 4 or equivalent is now included within the Pupil Premium funding allocated to the College throughout the year.

Funding allocated in

2015 -16 £7,000

2016 – 17 £7,000

Using the data available in the College, students who need intervention to 'catch up' in either/or Literacy and Numeracy are identified.

Criteria for intervention are based on KS2 data and CATs data,

- Students who score less than 100 on KS 2 data
- Students who have a significant differential between KS2 data and CATs data
- Students who have a low score in one aspect of the CAT's scores compared to the others.
- Reading ages
- Spelling ages
- DAC

The identified students will work with the SENCO during English/Maths lessons to cover basic skills using Lexia and the Read/Write programme and Accelerated Reader to develop Literacy/English and Maths Ninja's for Maths.

The aim of the 'catch up' is to close the gap and ensure students achieve their expected progress.
